

**THE NASH CAR CLUB OF AMERICA, INC.** is an active organization with international membership. The purpose of this Club is to aid and promote the preservation and restoration of Nash and related vehicles. Ownership of a Nash is not a prerequisite for Joining: only an interest is necessary to become a member.

Three NASHional meets and numerous regional meets are held throughout the country. The enthusiasts of NCCA and the twenty-two regions are among the club's greatest assets. The services include a library and advisors for most models as well as authentically reproduced parts. A list of sources of Nash parts vendors and remanufactured Nash parts is available to members.

**THE NASH TIMES**, the Club magazine, is issued bi-monthly. TNT contains a wide range of technical information, restoration tips, personal accounts of members' episodes with their Nashes, and all the standard features which make an enjoyable magazine. Between publications of TNT's, **THE MONTHLY MARKETPLACE** will keep you up to date on parts, cars, and literature for sale and is delivered via First Class mail. Advertising is free to members allowing two hundred fifty words per issue. Quarter, half and full page ads are available at low rates.
