

2024 Grand Nashional

Get ready for the 2024 Grand Nashional hosted by the Upper Mississippi River Region of the Nash Car Club of America in Oregon, IL. June 26-29. On Thursday a driving tour of the Dixon, IL area will be offered. Many interesting stops including The Mix Park, John Deere Historic Site, Ronald Regan's boyhood home, and the famous Eternal Indian Statue in Bowden State Park will be visited. A catered lunch will be served.

On Friday the "Charlie Comes Home" driving tour will take you to the Nash family farm. Although no original structures from 1864 remain on the site of the Nash family farm where Charlie was born, owner Alex Robinson invites us to park our Nash automobiles on this historic property. Alex will share with us treasures found while excavating around the foundation of the original farmhouse. Lunch will be available at the Lincoln Inn restaurant before our final stop at the Elmwood house.

That evening an optional Paddle Wheel cruise on the Rock River will be available with or without dinner. The Pride of Oregon, is a replica of the famous Rosie O'Shea paddle-wheeler.

Saturday the car show will be held at the Stronghold Center on the grounds in front of the Brubaker Center. The Awards Banquet will also be held that night at the Stronghold Center.

See the TNT for registration and more detailed information. Get ready for a great time with your mid-western Nash friends.
